Treat Patient As Family

Introduction

Taiwan Surgical Corporation (TWSC) was founded in 2011 with headquarter located in Hsinchu Biomedical Science Park.

We are the manufacturer of surgery devices with in-house product development capability and GMP & ISO certified factory in Taiwan to ensure production quality. With the specialization in the laparoscopic minimal invasive surgical field and FDA and CE certification, TWSC has supplied both domestic and oversea hospitals and penetrated in over 50 countries via the network of our worldwide distribution partners.

Our vision is to enhance the surgical and medical care quality for both surgeons and patients all over the world by our eminent product performance, affordable cost, and continuous R&D dedication for product innovation and sustainability.
